Bank First set to open new office in Oshkosh January 6, 2020

MANITOWOC, Wis, December 18, 2019 – Bank First (NASDAQ: [BFC](#)), is pleased to announce the completion of its new office located at 1159 N. Koeller Street in Oshkosh (intersection of U.S. 41 and Hwy 21). Construction of the new facility began in April 2019, and the official opening date is Monday, January 6, 2020.

Bank First established itself in the Oshkosh community in 2011. “We are pleased for the opportunity to open a new office in Oshkosh, where we have been serving local families, businesses, and non-profit organizations for several years,” stated Michael Dempsey, President of Bank First. “Constructing a new office in Oshkosh advances our mission of providing superior products and services while investing in the communities we serve.”

The new 6,800 square foot office emulates the contemporary design and efficient use of space similar to other recently-constructed Bank First offices in Appleton, Sheboygan, Two Rivers, and Plymouth. “We are excited to move into a new building that is both beautiful and efficient, allowing us to better serve our customers as we continue to grow,” stated Joan Woldt, EVP – Regional President.

Bank First plans to celebrate the opening of its new office by hosting a week-long community appreciation event. They encourage members of the community to stop by its new office the week of January 6 – 10 to receive a free gift, enter for a chance to win great prizes, and sample delicious offerings each day from several local restaurants. They are also giving away a free Yeti mug to the first 25 people who enter the lobby on Monday, January 6. Tune into Bob Burnell on WOSH 1490 the morning of January 6 as he covers the grand opening and features area businesses and the Bank First team.
